TRAA EXECUTIVES

The TRAA Works at a Grassroots Level Within the Thames River Watershed to:

- protect, enhance and regenerate a viable, multi-species year-round fishery.
- promote and participate in environmental clean-up, pollution control and rehabilitation.
- breed, relocate and stock to re-establish or augment appropriate species of fish.
- promote environmentally sound sport fishing practices.
- form partnerships with community businesses, government agencies, special interest groups, landowners, and other stakeholders in the Thames River watershed.
- increase public awareness of the unique diversity of the Thames River Watershed, its challenges, its recreational opportunities and its vital importance to our community.

Come and talk to us at a TRAA General Meeting. Guests are welcome!

The TRAA meets every second Wednesday of each month. We always try to get the meetings started by 7:00pm.

The venue is the Western Ontario Fish & Game Protective Association's clubhouse located just east of the Dearness Home on Southdale Road (East), on the North side of Southdale Road. The address is:

790 Southdale Road East, London, Ontario
